

Standard Machine Configuration

List Price US\$

► SENNEBOGEN 735 M-HD "E" series	\$	1,127,690
Engine		
► Cummins L9 diesel engine (6 cylinder) with direct injection, water cooled (TIER 4f emission) ► Engine output 310 HP (231 kW) @ 2,000 rpm ► Turbo intercooler direct driven ► Water cooler hydraulically driven, reversible ► Automatic idle-stop control and eco-mode for diesel engine		
Hydraulic System		
► Computer free, state-of-the-art load-sensing with flow-on-demand control ► Hydraulic cooler hydraulically driven, reversible ► Hydro-Clean filtration system with water absorption and contamination indicator		
Upper Carriage & Swing System		
► Torsion free, precisely machined upper carriage frame ► High torque axial piston swing motor ► Large dimensioned, external teeth swing bearing ► Automatic central lubrication system for upper carriage ► Manual pinion lubrication system for swing bearing ► Handrail on top of upper carriage ► Fire extinguisher set (1x cab, 1x storage compartment) - brackets installed, extinguisher shipped separate to dealer ► LED light package on cab, side, rear		
Operator's Cab "maXCab"		
► Fixed cab elevation system "E100" (elevation: 3'3") incl. hydraulic fold down system for transport ► "maXCab" with sliding door and door window as sliding window, sunshade, floor mat ► Skylight of bullet proof glass ► Windshield of bullet proof glass (fixed / no tilt out) ► Combined front & top cab protection guard ► Automatic climate control with AC, heater and defroster ► AM/FM radio with MP3/Bluetooth ► SENCON visual and acoustic diagnostic system for monitoring all essential machine functions ► Air suspended and adjustable operator's seat incl. armrests, seat heater, headrest, seat belt ► Camera system with display in cab ► LED light package on cab, rear ► Operator's & Maintenance manual incl. hydraulic & electric schematics (1x print / 1x digital) ► Spare Parts catalogue (1x print / 1x digital)		
Working Equipment		
► K11 - reach 37'1" / purpose built material handling working equipment ► straight boom 26'11", with end stop monitoring system and limit switches ► straight stick 15'5", with end stop monitoring system and limit switches ► Boom & Stick cylinders equipped with safety check valves and end position dumping ► Load stabilizers at boom cylinders ► LED light package on boom, stick ► Attachment open/close and rotate hydraulic circuits and lines installed up to the end of the stick (ball valves)		
Under Carriage		
► Rubber tired under carriage without outriggers ► Pneumatic tires 14.00-24 (8 units) ► Blade, rear mounted ► Steering via joy stick ► All wheel drive via variable hydraulic motor ► All wheel steering ► Automatic central lubrication system for under carriage ► Automatic change of steering/direction control ► Protection guard for under carriage to protect gear box, hydraulic motor and drive shafts ► 2-circuit servo brake system with additional safety brake ► Audible travel alarm while driving machine (forward & backward)		
DEALER LIST PRICE (ex east coast port or storage location)	\$	1,127,690
Delivery Surcharge:		
shipments gulf coast port, e.g. Galveston, TX or Veracruz, Mexico (dealer net)	\$	6,160
shipments west coast port, e.g. Port Hueneme, CA or Tacoma, WA (dealer net)	\$	12,170

Optional Machine Equipment (**Option shown is only available as a new factory installation - US retrofit is not possible)

Operator's Cab "maXCab"		
▶ **Sennebogen Forestry cab - special baseplate required, must be ordered without a standard cab(dealer installation)	\$	62,660
▶ **Delivery without a standard cab but with baseplate for Forestry cab	deduct \$	(4,600)
Engine		
▶ Electric refueling pump with level shut-off	\$	2,610
▶ **Cummins QSL9 diesel engine (6 cylinder) with direct injection, water cooled (TIER 3 emission) not valid for USA	deduct \$	(23,090)
Hydraulic System		
▶ Bio degradable hydraulic oil instead of standard hydraulic oil (PANOLIN HLP Synth 46)	\$	9,390
Operator's Cab "maXCab"		
▶ Right, left and door window of shatter-proof lexan (polycarbonate)	\$	3,630
▶ Windshield Wiper for lower glass	\$	1,550
▶ Additional Camera; please define location (in addition to existing cameras, maximum of 4 total possible)	\$	1,160
▶ French operator's manual, maintenance manual & spare parts catalogue (1x print / 1x digital)	\$	1,180
▶ Spanish operator's manual, maintenance manual & spare parts catalogue (1x print / 1x digital)	\$	1,180
Under Carriage		
▶ **Blade, front mounted	\$	37,400
▶ Pneumatic tires, single 18.00-25 (4 units)	\$	21,020
Low Temperature		
▶ Low temperature package consisting of:	\$	11,830
> electric pre-heating engine block		
> electric pre-heating hydraulic tank		
> electric pre-heating water separator		
> one plug 110 V outside of machine
