Technical Training / Sennebogen Tree Care Technical Training Path / Tree Care In-Person Technical Training  
2207-TC (2/7 - 2/18)

meeting  
by: Jeff Dwyer, John Ventura  
**Starts:** Monday February 14th 2022, 8:00 AM EST  
**Ends:** Friday February 18th 2022, 12:00 PM EST  
Location: 1957 Sennebogen Trail, Stanley, NC, 28164

This course details the proper operation and safety of the machine as described in the operator manual. Also, maintenance procedures following the guidelines of the maintenance manual are covered.

Hydraulic and electrical schematic reading will be taught to the experienced technician as well as "hands-on" training including but not limited to setting and checking the pressure.

On the final day, technicians are required to locate faults that have been added to the machine.

The screenshot displays the Sennebogen, LLC training portal interface. The main content area shows details for a training event: "Technical Training / E-Series Level 2 Training Path / E-Series Level 2: In-person Training 2205-E2 (1/31 - 2/4)". It lists the organizers as Jeff Dwyer and John Ventura, with start and end dates in January and February 2022. A callout box with a green border points to the "Cancel RSVP" button, which is highlighted in yellow and indicates "3 seats available". Other visible elements include an "Enroll Others" button, a list of tags (technical, technical training, tree care), and a curriculum list on the right side of the page.
