Recommended Internet Browsers

Once **approved**, you will receive an email to register and set your password.

When you land on the “**Featured**” tab, select the E-Series Level 2 Training Path.

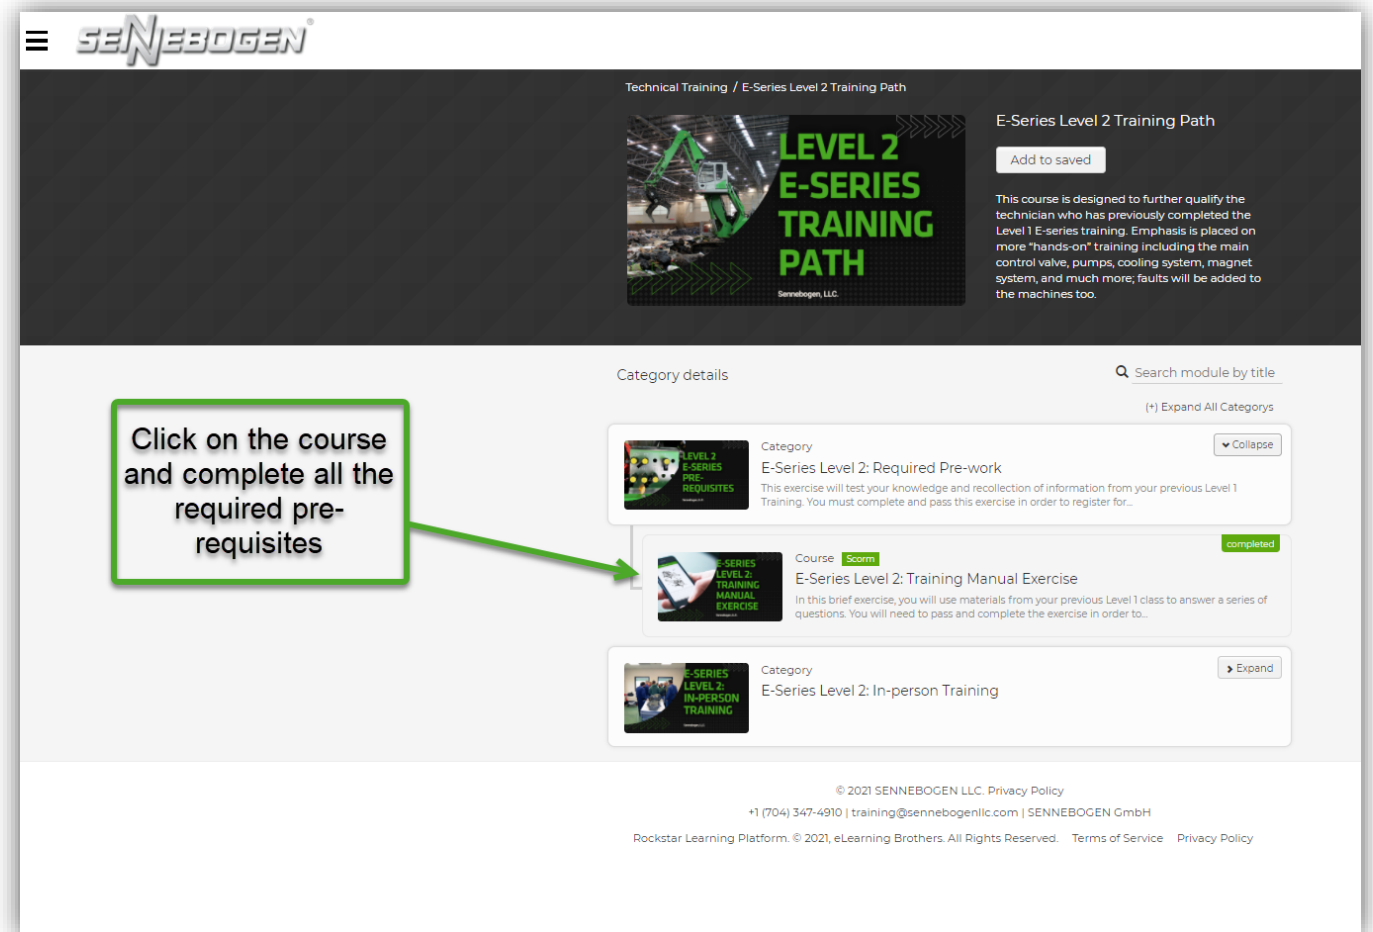

Complete all the required pre-work listed.

These required pre-requisites outline key information attendees should know before they are allowed to register for in-person training.

Once complete, the attendee will unlock the in-person training category.

**Take Me To The Prerequisites**

**Note:** Make sure that pop-up blockers are disabled, and your browser's window is not zoomed in past 100%.

The screenshot displays the SENNEBOGEN training platform interface. At the top, the logo and navigation menu are visible. The main content area is titled "Technical Training / E-Series Level 2 Training Path". A large banner for "LEVEL 2 E-SERIES TRAINING PATH" is shown, along with a description of the course and an "Add to saved" button. Below this, the "Category details" section is displayed, featuring a search bar and a list of prerequisites. A green box with the text "Click on the course and complete all the required pre-requisites" has an arrow pointing to the "E-Series Level 2: Training Manual Exercise" course. The prerequisites listed are:

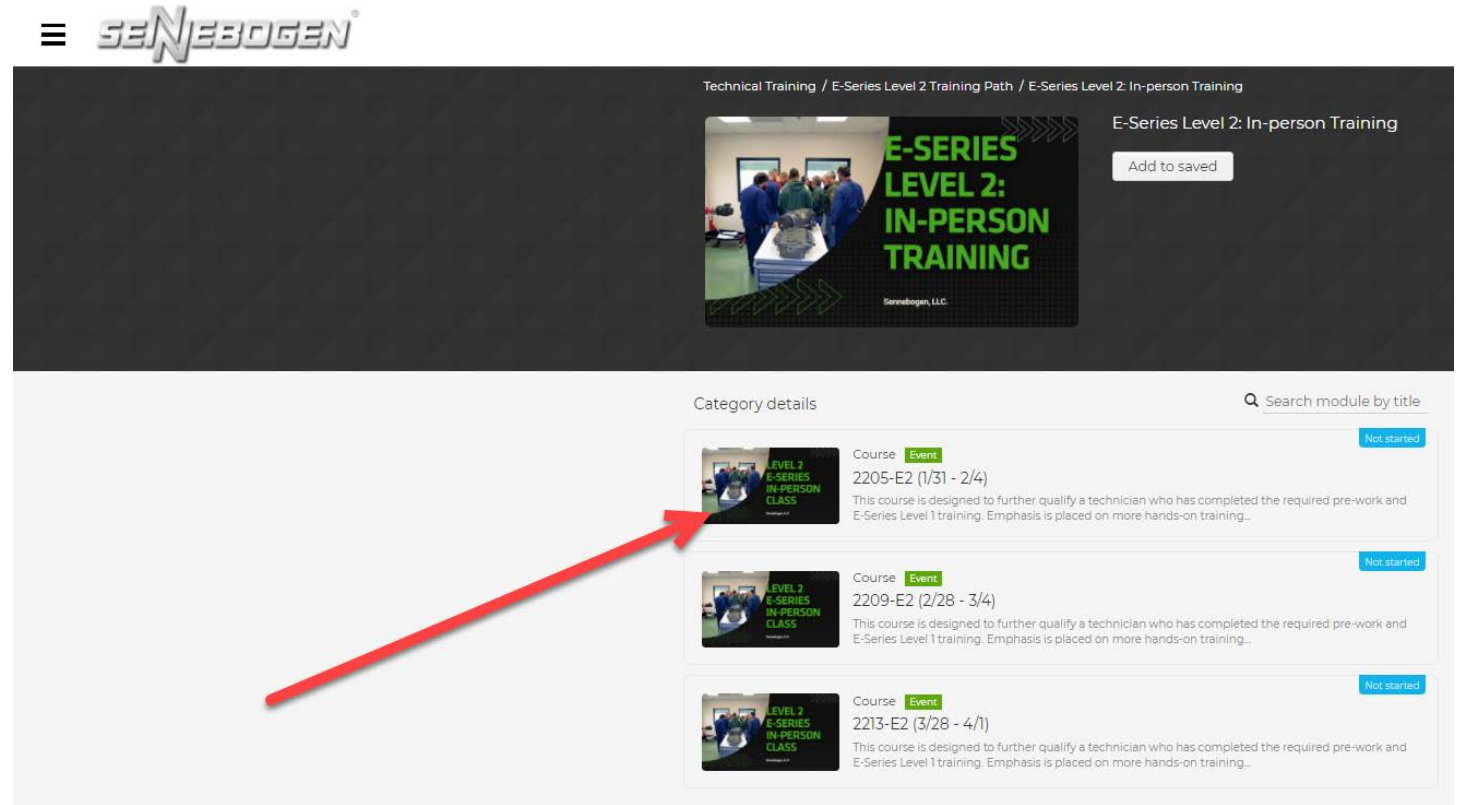

- Category: E-Series Level 2: Required Pre-work (This exercise will test your knowledge and recollection of information from your previous Level 1 Training. You must complete and pass this exercise in order to register for...)
- Course: **Scored** E-Series Level 2: Training Manual Exercise (In this brief exercise, you will use materials from your previous Level 1 class to answer a series of questions. You will need to pass and complete the exercise in order to...)
- Category: E-Series Level 2: In-person Training

At the bottom of the page, there is a footer with copyright information and contact details: © 2021 SENNEBOGEN LLC.
